

1. A boy took the metro to decongest the city, which is good.
2. The moment he steps out of the metro.
3. He search for some ride nearby.
4. But unable to find any ride.
5. Then suddenly an oracle happens.
6. Person from that oracle shout that if you are good then HEXA is for you.
7. HEXA is simple, easy on your pocket, ecofriendly, good for you and everyone around you.
8. The boy suddenly opens the app.
9. Book the ride.
10. See the location of the Scooty.
11. Pulls out helmet from that Scooty.
12. Muffler in his neck, helmet is on his head, the boy goes on road.
13. On top of the screen there is a HEXA logo & tagline with a statement  
" Be a Good Person, Help in de-congesting your city.

1. A man stops at a grocery store by stopping his car near the road where an another man looking like a thief is standing under the tree.
2. Owner of the car turns-off the ignition.
3. Immobilize the car through HEXA GPS app.
4. And went out in a hurry to buy something from the shop.
5. The man which is looking like a thief notices that the man has not properly locked his car.
6. By seeking this opportunity, thief approaches the car, opened the gate and sit inside the car.
7. Thief now try to start the car but to his amusement the car is not starting by any means.
8. Irritated thief gets out of the car & starts to observe the car.
9. Owner come back again after shopping, pulls out his phone & turns the immobilizer off from the app.
10. Now the owner simply starts his car through the key & drives away as the thief watches the car in confusion.
11. Now the screen gets divided in 2 parts, in 1 part their is a crying thief and in 2 part their is a driver, driving his car happily.
12. On top of the screen there is a HEXA logo & tagline with a promise to protect your car from any theft in any situation.
